Lucky Parantha House

Home Chefs: Our Greatest Strength

Solution to 'outside food' as we prepare your orders at home. What's between you & a home cooked meal? A phone call!

New Recyclable Foil Packaging

We learnt from trial and error method, and have sought to reach an ultimate alternate to paper and regular foil.

Lesser Oil, Healthier You!

After constructive feedback, we have substantially reduced the amount of oil used in our recipes for the health-savvy.

Customized Meals At Your Service

When you speak, we listen! Whether you order for elders, or persons recovering from ailments, we comply.

HI Outplays AI

No single word is copied from AI and Human Intelligence has taken the centre stage. Like our food, we always plan and deliver ORIGINAL content to achieve the best outcome.
